RACING

UCSB Cycling and Czechmates Capital have teamed to put on a great early season training race as a stand in for Good Ol' Days Road Race and as a fundraiser for UCSB cycling.

Directions: Take 101 to the CA 154 exit (just north of Buellton). Head toward Santa Barbara, but make an immediate left onto Zaca Station Road. Refer to the volunteers on where to park OR park COMPLETELY off road before the Start/Finish.

Course: Rolling 17 mile out and back course on Zaca Station Rd and Foxen Canyon Rd. Same course as the Good Ol' Days Road Race. Pavement is mixed; smooth in some area, rough in others. Feeding only in designated feed zone. Check out www.ucsbicycling.org for more info.

Rules: All CBR rules apply. Because this is an out and back course, **centerline rule will be enforced at all times!!** Instructions from CHP and volunteers must be followed.

Fees: \$20 per rider. \$5 late fee. CBR license holders can deduct \$5 from the race fee. Register online at www.active.com. Or mail a completed CBR waiver and race fee payable to "UC Regents" to Barrett Ausman, 6621 Picasso, Isla Vista CA 93117 by 1/23/05. Register on race day up to 20 minutes before start.

Wheel Support: We will supply the follow vehicles. You may supply your own wheels with your own race number and name clearly marked

For more info: e-mail gauchorace@yahoo.com
